Brightspeed Launches Streaming Credits Offer for New 2Gig and 1Gig Internet Service Customers*

\$20 streaming credit each month for up to 12 months for new Brightspeed Fiber Internet subscribers*

CHARLOTTE, N.C. — January 14, 2025 — Brightspeed, one of the nation's largest fiber broadband builders focused on empowering more homes with ultrafast, reliable internet, announces the launch of its streaming credits offer available to new Brightspeed Fiber Internet customers. New customers subscribing to 2Gbps service will receive \$20 Brightspeed Streaming Credits each month for 12 months and new customers subscribing to 1Gbps service will receive \$20 Brightspeed Streaming Credits each month for six months.

Customers can activate the streaming credits through MyBundle, the premier online platform connecting consumers, streaming services and broadband providers with tools to simplify streaming television, available to all Brightspeed Fiber Internet customers.

Eligible new Brightspeed Fiber Internet customers will receive an email once their internet service is installed with instructions on how to create a MyBundle account and activate and use their monthly \$20 streaming credits. After the customer activates the promotion, the \$20 Streaming Credit will automatically be deposited into their MyBundle account each month. Credits do not roll over from month to month.

More on Find My Bundle and The MyBundle Mobile App

Find My Bundle is MyBundle's free, easy-to-use personalized streaming TV recommendation engine that enables and streamlines the transition from traditional pay TV to streaming alternatives. Find My Bundle guides customers through a step-by-step process to specify their television preferences, including live locals, news and sports, and then recommends the simplest, most affordable streaming alternative.

The MyBundle mobile app helps consumers build and maintain a list of movies and TV shows they want to watch, with synopses, ratings, trailers and "where to watch" all in one place.
